Girl Scout Cookie Time Here

It's "Girl Scout Cookie Time" again. As of 3 p.m. Friday, Feb. 27, Girl Scouts and their younger sister Scouts, the Brownies were ringing doorbells and taking cookie orders all over the Lakeview Girl Scout Council area.

Their annual fund raising campaign has become a "tradition" in the hearts of the American public. Order taking will continue through March 13th and the girls will have the cookies to meet a delivery schedule of April 10th through April 24. Booth sales will also make cookies available during the April delivery dates to those who may have missed a chance to order and also to those

who want additional cookies.

All cookies are made of pure vegetable shortening. There are 5 types of cookies to choose from. The 3 "all time" favorites include the sandwich cookies, thin mints and the sugared shortbread. The shortbread cookies are "kosher".

The two NEW cookies include the peanut pattie, a vanilla cookie topped with a dab of peanut butter and coated with chocolate; and the new Frostie which is a graham cookie covered with a maple flavored icing sprinkled with corn flake bits.

Despite inflation, cookie prices have managed to remain the same over the years. The Lake-

view Council sold over 110,000 packages in 1969 and have set a 1970 goal of 120,000 packages. Out of the 50 cent selling price, the "cookie crumbs" thusly: 23 cents is used for camp, development and direct service to the troops; 5 cents per box goes into the individual troop treasury so when accumulated help pay for various troop activities and/or trips. Past cookie profits were used for purchase of the new Wisconsin Camp property (\$48,000) and council services to troops.

If the 1970 council goal is met, the new camp can be developed. (Continued on page two)

Antioch Rotary Elects

Al Schroeder has been elected the new president of the Antioch Rotary club in a recent close election.

Schroeder won over Gene Zannini by a vote of 15 to 12.

Ken Mazzuca was elected secretary by a close vote of 14 to 10 over Roy Wittek.

For the treasurer's post, Randy Bussone won out by a 15 to 9 vote over Irv Walsh.

Three members of the board of directors were also elected. They were Mike Warren, Irv Walsh and Bob Schroeder.

Two Students Are In College Play

Two Antioch area residents, Kay Kuechenmeister and David Bushnell are participating in the North Central College Theater Guild production of "The Pajama Game" being held at the college in Naperville on March 13 and 14.

Miss Kuechenmeister, daughter of Mr. and Mrs. Frank Kuechenmeister of 1026 Bishop Ave., Antioch, will be in the chorus and in the make-up crew.

Bushnell, son of Mr. and Mrs. Warren Bushnell, of 1604 N. Columbia Bay Dr., Lake Villa, will be the accompanist.

Both are sophomores at the school.

No Money Available For Health Survey

Supervisor Kenneth Henke of Benton Township, chairman of the Lake County Board's Health, Education and Welfare Committee says it is unlikely any funds can be made available this year to hire staff for an analysis of health needs and facilities.

Speaking to members of the Lake County Health Services Planning Committee at the group's regular monthly meeting Wednesday, Henke said no provision was made for funding in the board's 1969-70 budget.

The health planning committee was appointed by the Board of Supervisors in March, 1969 to

study the health problems of the county and act as an instrument to assist the HEW committee in developing a county-wide plan for efficient health and medical services.

Henke told the group, "In the past the board had no committee such as this to advise us."

We were reluctant to move on health matters because none of us are professionals. However, I feel we should take action or we will find ourselves under some other health organization with metropolitan jurisdiction."

Concert Set For Saturday

This Saturday, March 7, at 8:00 p.m., the Antioch Community High School Fine Arts Department will present its annual Mid-Winter Concert.

Featured on the program will be the A-Cappella Choir under the direction of Mr. Ralph Brooke, the Concert Band under the direction of Mr. Rush and an Art Show by the art students under the direction of Mrs. Craner.

A special feature of the program will be the drawing for the New "23" Zenith Color T.V. which will be donated by the State Bank of Antioch and the Painting which was donated by Mrs. Craner.

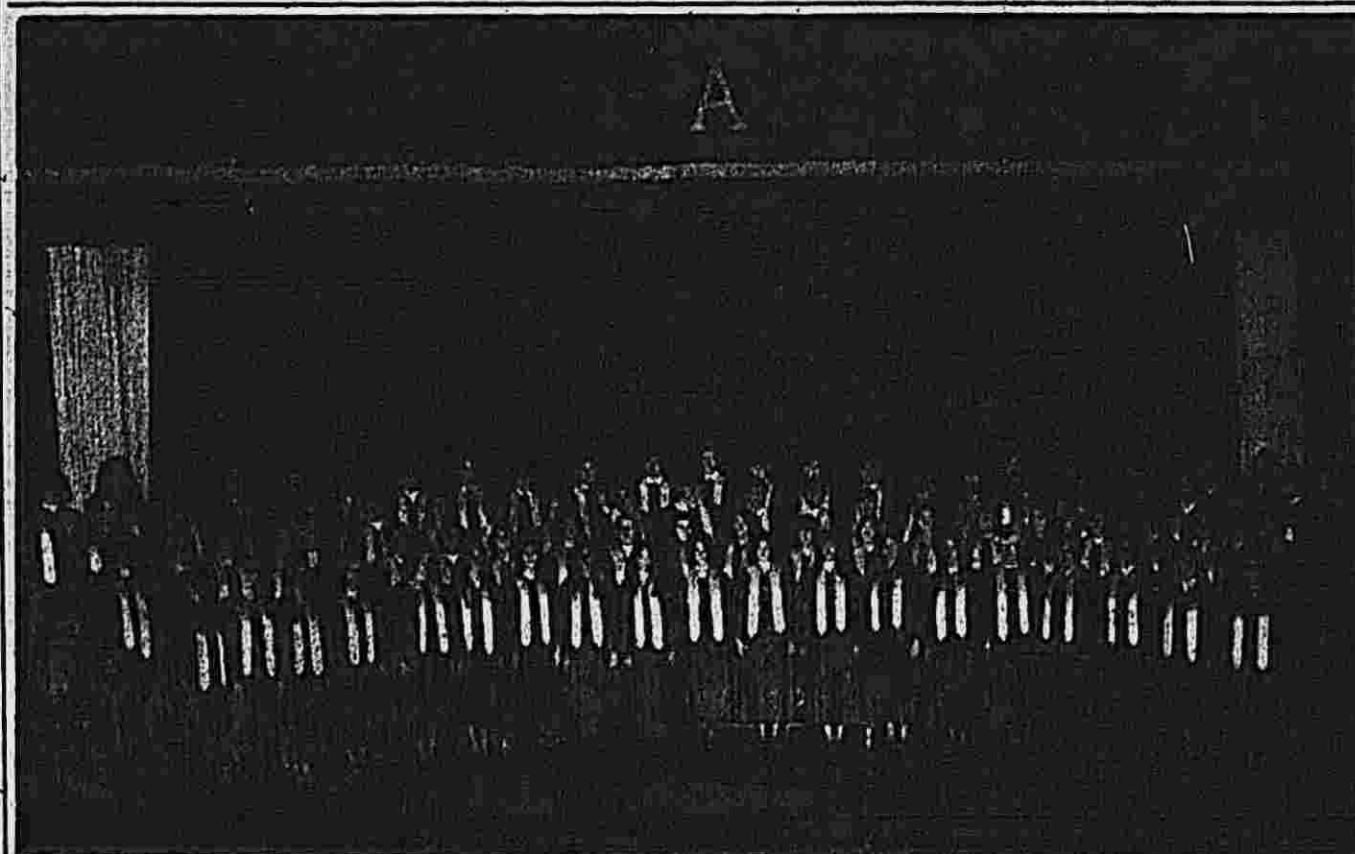

Both items were donated to help with the fund drive by the concert band for their New York tour. Tickets for the above have been on sale at the door, while they last.

The A-Cappella choir will be featuring the very best in vocal music for this program. The choir is preparing for the annual State Choir Contest which will be held on March 14th.

The contest numbers will be the highlight of the program for the choir.

The concert band will be presenting some of the numbers that they will be using on their New York Tour which they leave for the following Sunday. This should prove to be one of the outstanding musical events of the year.

Tickets for the concert are now on sale at the door. The doors will open at 7:30 and the concert will be held in the high school auditorium. Make your plans now to attend and enjoy the fine music.

Antioch High's A-Cappella Choir will perform at 8 p.m. Saturday in the annual Mid-Winter Concert.

School Board Puts Off Decision On Whitacre

The Antioch Grade School Board has postponed for two weeks the fate of Richard Whitacre in the school system he has served as teacher, principal and superintendent for more than 30 years.

His continued employment as a consultant at a substantial increase in salary which he thought was a firm understanding from board members came into sharp focus Tuesday night at a special board meeting. A decision will be made at the March 17 meeting on whether Whitacre will be retained as superintendent or consultant.

Consensus of a majority of board members was Whitacre was asked to consider to serve as a consultant to the new superintendent in the implementation of a board educational program at the new Upper Grade School now under construction and scheduled for completion this fall, but that he was not given a firm decision.

It was pointed out by opponents to the retention of Whitacre as superintendent or consultant apparently soured when he said, they reported, he would serve at an increase in salary.

Whitacre reportedly gets \$20,000 a year, and an additional year in a higher bracket would boost his monthly pension considerably, it was said.

"I trusted you people at the executive session in September that you asked me to serve as consultant," Whitacre said.

"Would you consider it?" was the question, Dr. Fred Bobzien, a physician and surgeon and board member, said, "and not would you serve in that job."

"I was under this impression for the past five months that I would serve as a consultant," said Whitacre. "If you people would search your heart, you know that this was the understanding."

"I just interest when you mentioned you would serve at a substantial increase," said Todd Mapleshorpe, a board member, and Antioch volunteer fire chief.

Richard Harland, board president, said: "The grade school district needs a new educational leader. I don't believe Mr. Whitacre is attuned with the educational program of today."

"There must be a misunderstanding between me and the board," Whitacre said. "I'm sure we had firm verbal understanding last September on the consulting position."

Wayne Polsgrove, a board member, said one reason for seeking a replacement was due to the comprehensive program that is scheduled to be inaugurated at the new school. "We are going to offer many courses not now offered in our schools," he said.

"It would be difficult for a new man to come in and pick up the pieces one year after the start of the program. We would like to have a new one from the start."

Those opposing Whitacre's retention said the Illinois Association of School Boards has been

consulted to seek a replacement for Whitacre, but there have been no interviews nor any date set to talk with candidates.

It was reported that the association will submit the names of five candidates to be interviewed by the board.

Village Mayor Raymond Toft, appearing angry about the contemplated removal of Whitacre, said, "Whitacre has grown with the changes in this school system. Why isn't he qualified? I don't believe this school board has been broke and, in fact, it is in the best financial shape in the county."

"I believe you will be making a big mistake to let Whitacre go," the mayor insisted. "I don't believe you should let 27 years go down the drain."

"One woman said, 'Why put in a replacement at this time, especially during a period of the current building program.'"

"The building program is out of our hands," said Mapleshorpe. "It is in the hands of the architect."

One man said, "I believe you (Continued on page six)

VIP Dinner Honors Petty On Saturday

On Saturday, March 7, Dr. W. C. Petty, County Superintendent of schools will be honored as Antioch's second V.I.P. The gala party will be a Dinner Dance sponsored by St. Peter's Community at Lorenz's Smart Country House just outside Antioch on Rt. 173.

King Jaros and his orchestra will provide the music for the evening. The band is being sponsored by the State Bank of Antioch. The evening will begin at 8:00 p.m. with a cocktail hour followed with dinner at 7:00 p.m. Dancing will start at 9:00 p.m.

Tickets for the dinner dance are \$7.00 and may be purchased at the State Bank of Antioch, The First National Bank of Antioch and the Antioch Savings & Loan. Tickets will not be sold at the door that evening.

Everyone is assured of a wonderful evening as we honor a great V.I.P. of our community.

Change In Speaker For Chamber Meeting

A general membership luncheon meeting of the Antioch Chamber of Commerce will be held jointly with the Rotary Club at Lorenz's Smart Country House Thursday, March 5 at noon. In addition the chamber has also invited the Chain O' Lakes Resort Owners Association members.

There has been a change in speaker scheduled. Mr. David Keel will show slides and speak on the subject of Pollution. He was recently at a Rotary Club meeting held in Elgin and is well versed on the subject.

LaVerne Woods, president of the First National Bank of Antioch presents a check for \$1,000 to Mrs. E. F. Vos, president of the Antioch Township Library Board. The money will be used to landscape the new library.

Postal Delivery Expanded

Congressman Robert McClory has announced that he has been advised by Postmaster General Winton M. Blount of a major new postal service program that will expand home deliveries in Lake and McHenry Counties. This is part of an overall program to benefit an additional 4 million Americans—principally in small communities—for the first time.

Under the program, persons living more than a quarter mile, but less than half a mile from 18,700 post offices that do not have city delivery are now eligible to receive the delivery at home. Previously, they have been compelled to go to the post office for their mail.

Since they live less than half a mile from a post office, they have not been eligible to receive rural delivery service prior to Mr. Blount's new order, the Congressman explained. And because they live near a post office that does not have city delivery they have missed out there, too.

Congressman McClory said he had been advised that the postmaster General is issuing instructions in the Postal Bulletin making the service available to the 1.2 million families living in the eligible areas—four million individuals.

The only requirement to obtain the service is that it must be requested of the postmaster, and a majority of those living in the area must desire the service. The expansion will be achieved (Continued on page six)

Antioch GOP To Install

The Antioch Township Republican Club will install their 1970 slate of officers at the annual Spring Dinner Party, Saturday evening, March 7th, at the Antioch Country Club on Rte. 59 at Grass Lake Road.

To be installed are Harry Stern, president; Elroy Anderson, 1st vice president; Gene Zannini, 2nd vice president; Jack Gish, secretary; Elmer Eberman, treasurer;

They placed second with Ellen bowling 576 and Nikki a 500 series. The first game of the series they totaled 392.

Ellen placed first in the All Events and will go to the National Competition in Tulsa, Okla. She is a graduate of Antioch Community High School and was a member of the Junior Bowling League for several years at the Antioch Bowl.

Can Government Be Preserved?

(Seventh in a series of articles on the significance of local government today. This one examines the broad, future scope of it as government of the people.)

In the decades to come, which way will government go? Will it move away from the people—simply because there are more and more people to cope with? Will increased centralization of government take place, in which the individual becomes increasingly lost? Or, will we find ways to preserve the rights and privileges of individuals within the massive governmental operations which surround them? There is hope for the people. It comes from a variety of directions. Big Government in Washington

currently admits that it has become too big. It suggests the return of powers to the states.

State government is looking seriously at decentralization of its authority.

Big City government has not yet solved its Bigness problems, but with ideas and efforts, perhaps it can.

The pressures to wipe out local governments have diminished. Where "Metro" government once seemed to be a problem-solver, it is generally proving to be a problem-causer.

Well-run local governments belong in governmental structure because they administer government where it is needed—close to the people. It is the people who must and will preserve good government in

America. But they must be constantly given the opportunity to do so. Such opportunity does not exist in centralized, remotely controlled government.

An advocate of governmental amalgamation used as his argument for such centralization that it is "always difficult to reconcile the wishes of the people, even from one side of town to another." And, he says that "people don't seem to want to agree on common solutions." Therefore, he proposes that government be removed from such circumstances, placed in the hands of administrators who cannot hear the people, and who will then decide "what is best for the people."

This gritty theory ignores the right of people to express their (Continued on page six)

Save The Chain

The State of Illinois has finally admitted what we in this area have known for a long, long time.

It is 30 years behind in its efforts to put the Chain O' Lakes and the Fox River back into its full use.

The statement was made by Department of Conservation man, Ralph Fischer at a recent meeting in Elgin at a hearing to determine just how to go about giving to Northeastern Illinois what should have been done many years ago.

There was no plan detailed at the meeting. But the promise was there.

But we have heard promises before.

Our State Rep. W. J. (Bill) Murphy has for many years pushed for the cleanup of our lakes and streams in this area—but his pleas have fallen on the deaf ears of the bureaucrats.

Another representative of the Northeastern Illinois Planning Commission was also at the meeting and his statement was to the effect that the greatest problem was to clean up the Chain. Good for him.

Let us hope that his statement didn't also fall on deaf ears although we have no great hope that it won't.

Even our Lake County people have finally come to realize that the Chain is an important part of the economy of the State of Illinois.

Eugene Theios, director of environmental health for the Lake County Health Department recently brought the matter to a head when he said:

"Without proper management the Chain will eventually become huge bogs, then swamps and completely unusable as recreational playgrounds."

We agree with him completely.

We are also ever the optimist.

Maybe, just maybe this time the warnings will be heeded by the right people and something will be done.

We certainly hope so.

A First Step

Antioch's village board of trustees took a giant step forward this week when it approved a survey for low rent housing for the elderly.

We feel that it is time this area looked to the welfare of those citizens that have contributed so much to our growth in the past and can continue to do service in the future.

The preliminary survey and planning application, which hopefully will bring in a \$40,000 grant, will determine if there is a need in this area for such a project.

We privately, without any survey, believe that there is such a need.

The housing units will be primarily for the senior citizens over 62 and for those who are disabled or handicapped. Some 100 units are in the planning if the need is shown.

There is one fly in the ointment, already, however.

It seems that such funds have been drained for this fiscal year.

But maybe the application can get in so that when the new federal budget is drawn for the year beginning July 1 such funds will be available.

At least it is a first step and we applaud the action.

Mrs. Schreiber and Mr. Angeloff will represent the College of Lake County in the suburban district competition at Elmhurst College March 9 where 12 schools throughout the area will be represented. Winners there will receive \$250 each and the ten State finalists — a man and a woman from each of the five districts — will compete in Chicago April 29 for the top two State prizes of \$1,000 plus a trophy. All 44 public

junior colleges in Illinois are participating.

Shrine Circus
March 7

A grand galaxy of animal acts, clowns, daredevil acrobats, and other timeless circus acts will come to Chicago at Medinah Temple, 600 N. Wabash ave., starting Saturday, March 7 and continuing through Sunday, March 22, with several special preview nights preceding the regular run.

Assembled under the direction of Clyde Brothers Circus and supervised by Shrine Circus' coordinator Jerry Divisek, it has been labelled the best Shrine Circus ever. Matinees will be held daily except Monday, with three performances on Sunday. Starting with Captain Jose Borada and his world-famous group of June Man-Killers and continuing on through to the grand European style circus finale, the entire presentation is geared for action, thrills and laughter.

Among the feature acts are Sir Tony Fossett, England's comic sensation of the bounding rope; Gloria Louise and Daynita, high priestesses of the swinging trapeze; Peterson's amazing performing ponies; the Grimaldis, European musical clown sensation; Billy Barton, who defies death from the high trapeze; Princess Elena Omar and her exotic balancing act; the Morgans, with their teeter-board antics; the Kirby family of performing chimpanzees; Mr. Cucciollo, the world's smallest trampoline artist; Col. E. T. Beale and his elegantly beautiful horse, Stardust. Also Irene and Tonga from the deep, dark jungles of Africa; the Shrine Circus performing elephants, the Russell Troupe, masters of the slender silver strand, and of course, the hilarious group of zany clowns who bring laughter to everyone.

Letters to the Editor

Letters to the Editor

The news that the Government proposes to bring back thousands of Military personnel from Europe and that it is bringing more back from Viet Nam, should make businessmen and the ordinary taxpayers how these men will be able to find employment without Government support.

The minority groups are demanding jobs now, although the Veteran who has been risking his life for the benefit of us at home certainly should have preference.

The young man with a trade or who is not afraid to serve as an apprentice and willing to work with his hands, is and will be in demand.

Instead, too many college students wish to study social sciences, the humanities and other non-productive careers which must be supported by the men and firms who are engaged in the production of the necessities of life.

True, it seems like an easy way to make a living, but do we need more scientists than "blue collar" workers?

It is hoped that consideration of the above outlined situation will be taken seriously by all concerned, before we end up with more "Chiefs than Indians."

Dear Mrs. Vos:
Having returned from our recent visit to Antioch and having once again settled in, we want to thank you very much for your kindness in showing us the new library building and equipment.

It is beautiful!
It should serve the community very well now and in the years to come.

We offer our congratulations to the Board of Directors and to all those who aided in making the new library a reality.

The citizens of Antioch are indeed fortunate to have so many energetic and civic minded people interested in the welfare of the community.

Good luck and good reading.

The College of Lake County Student Nurses' Group sponsored a blood drive on Feb. 27 for Russell Sluga of Waukegan. Sluga is a full-time student enrolled in the data processing program at CLC.

Russ Sluga is a Christmas-diseased hemophiliac, a hereditary blood disorder in which the coagulating element is lacking and is characterized by severe spontaneous bleeding episodes. Sluga's ability to self-infuse the newly developed concentrate Konyne has made it possible for him to live a normal life and to attend CLC.

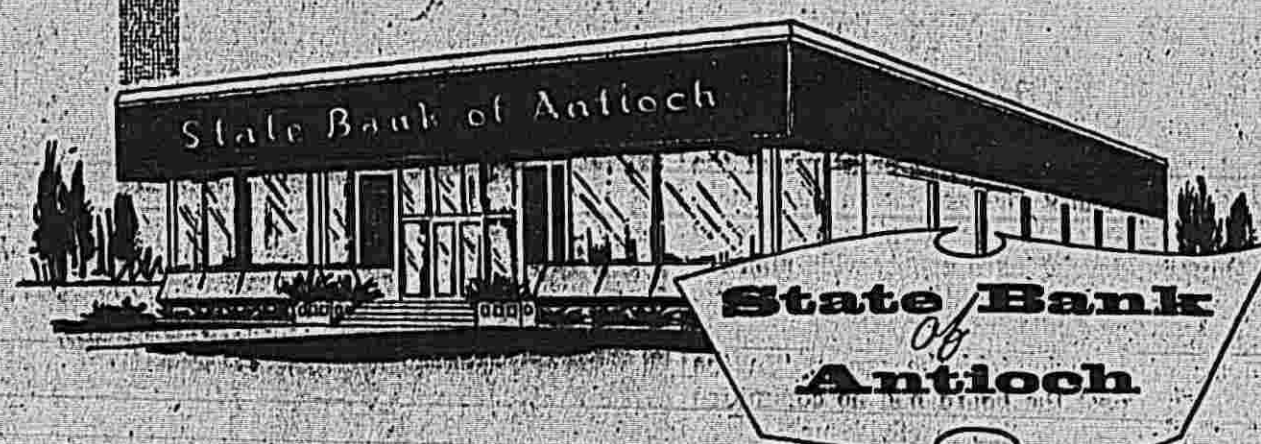

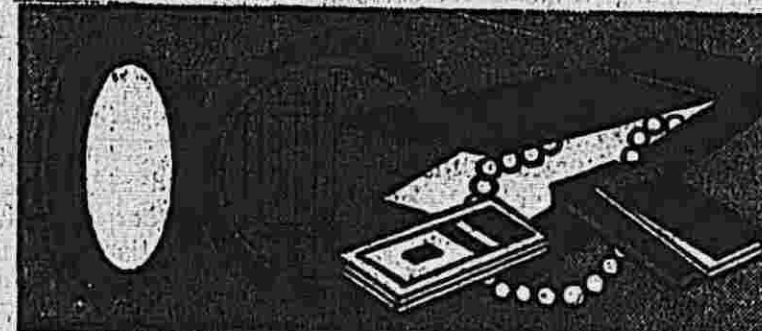

Students and staff of the College responded to the urgent need for blood by donating 110 pints of blood in Sluga's name as a credit to his overdrawn account. Since April 1969 Sluga has used \$1,800 worth of the blood concentrate and was in need of furnishing a supply of blood for continued treatment. Each donation of his fellow students meant a \$14 credit to his account and an assurance that he can continue in CLC, since the vital concentrate would be available when needed.

of the health planning committee, said he is investigating the possibility of financing a staff director salary through the county health department.

Another committee member said he feels the Board of Supervisors should help solve the problems his group knows exist in the areas of health and medical facilities.

Members of the committee, who have put in many hours over the past months at no salary, were generally discouraged to learn there are no funds forthcoming for a full-time director to carry on the work.

The director of environmental health for the Lake County Health Department, Eugene Theios, says within ten years Lake Michigan will be at the point Lake Erie is today unless immediate steps are taken to stop pollution.

Theios said, "We must stop dumping our wastes into what is one of the world's greatest fresh water resources or ultimately face the tremendous financial burden of cleaning it up." He says it would cost upwards of \$15-billion to undo the damage to the Great Lakes if pollution isn't stopped now.

Concerning the Chain 'O Lakes in western Lake County, Theios says without proper management they will eventually become bogs, then swamps and completely unusable as recreational playgrounds.

"By the twenty first century," Theios continued, "our population is expected to double or triple. It is likely there will be one great megalopolis stretching from Milwaukee to Detroit. The increase in waste materials alone will create serious demands as to how to dispose of it properly."

Speaking on the weekly radio series "This Week In Lake County," Theios told audiences that disposal of city garbage is the third largest municipal cost after schools and roads. He said solid disposal is in a relatively primitive state of accomplishment and not at all adequate.

As for air pollution the health expert said the average citizen can help merely by developing an attitude of personal responsibility. One example would be to stop burning of any kind. Theios said 100 pounds of burned leaves deposits twenty pounds of particles in the atmosphere. These particles mix with other compounds and are eventually washed out of the skies by rainfall, then settle once again on the earth and in our drinking water.

Recent lawsuits filed against industrial polluters, Theios contends, is an indication of a serious attempt to correct the damage we are doing to our environment. "However," he concluded, "we haven't been up to the task. Much needs to be done."

In an annual report to the County Board of Supervisors the director of the data processing department, Dwight Magalis, says revisions and implementations of many old and new applications have been scheduled, and at a savings to the county.

Over 500 computer "jobs" are now being handled through the department, which was established seven years ago. The report states that savings made during that period through automation were realized but not recorded in every instance. One example Magalis cites revolves around the tax billing system.

The report says the cost of the department is less or equivalent to the past cost of equipment and the extra manpower, including overtime, in the six departments that play a major role in the processing of taxes. It concludes that the savings to the county realized just from the tax billing system in itself pays for the computer.

During the past year a new \$25-computer was installed. This action came following a detailed study by the data processing committee of the County Board covering present and proposed applications, computer equipment needs, costs, efficiency, and accuracy.

During the change-over many of the 350 programs then in use were combined to take advantage of the new system.

an address by William H. Rentschler, candidate for the GOP nomination for the U.S. Senate.

Notable in his public career was his chairmanship of the Illinois Campaign For Nixon which provided the most delegate votes (50) at the Miami Beach Convention, and the decisive electoral votes in November.

In keeping with the time honored Republican principle of open Primary Elections, the ARTC made their forum available to Mr. Rentschler, to present his views in the current campaign.

Taxpayers Ask IRS

This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q) Can you claim someone as a dependent who is not related to you?

A) A person not related to you but who is a member of your household for the entire year may be claimed as a dependent when the other tests are met. You will find these tests listed on page B-2 of the 1040 package mailed recently.

The handy index on the inside cover of the package indicates where instructions on a particular subject may be found.

Q) When am I going to get my estimated tax forms? I didn't see them in the 1040 package you sent.

A) An estimated tax form package was mailed in January to all those who filed estimated declarations last year. It will contain four pre-addressed voucher forms to make sure estimated tax installment payments are properly and quickly credited to the taxpayer's account. Four envelopes have been included in the package for the taxpayer's convenience in mailing payments.

The estimated tax forms package is also being mailed to those taxpayers who appear to meet estimated tax filing requirements based on their 1968 returns.

Q) I lost the W-2 statement I received from a part-time job last year. Do I need it?

A) Yes. Copy B of Form W-2 from each of your employers must be attached to the back of your Form 1040. Contact your former employer and ask for a duplicate copy of your missing W-2.

Q) I earned interest from several savings accounts last year. According to the tax form I got,

Forensic Winners Announced

On Wednesday, Feb. 25, the local Forensics Contest was held at Central High School at Pad dock Lake. The following received "A's" and will be entitled to participate in the sub-district contest at Waterford on the 7th of March.

Winners at that contest will participate in the District contest at West Allis on March 21. Winners of the local contest were:

Significant Speech—Gary Gilmore and Betty Holloway
Play Acting—Lisa Backmann, Becky Greslik, George Grabiec
Public Address—Mike Lamping and Barb Kuhart

Prose Reading—Tim Hazen and Cathy Mullenbeck

Poetry Reading—Mary Razor and Barb Koenecke

Four Minute Speech—Connie Coldren and Emily Knigge

Declamation—Judy Siegel and Jeff Grasser

Extemporaneous Speaking—Jim Sherwin and Mari Zwirgdsas

On Monday the FHA held their local demonstration contest at Central High. There were seven demonstrations and they were judged in two divisions—the Freshman and Sophomore group. Each of these had a single demonstrator and a team demonstrator. Shelly Schalten received first with "Babysitters' Best Friend". Carol Kernen and Beth Neefe were alternates.

In the Junior and Senior group there were five demonstrations. Linda Kernen received first with "Hints for Blocking". Kay Hartnell was an alternate. Others in the contest were Rita Terry, Doris Vos and Sue Daniels. All will go on to the district contest. This year Salem Central High is hosting the district contest to be held on February 28. The schools which participated were Salem, Lake Geneva, East Troy and Milton. Two were picked for the State Contest.

17th, it will then be incumbent on all Republicans to lose ranks and support the winner in November, ARTC President Harry Stern said.

Herbert Horton will be master of ceremonies at the event which is expected to attract most of the judges and officials of the County; candidates for office; as well as a good representation of citizens from all walks of our society.

The party will start at 6:30 p.m. with cocktails, followed by a sumptuous steak dinner at 7:30.

The event is open to the public, and they are cordially invited to attend and take part in the grass roots politics which so vitally affects them.

It looks like I don't have to show the specific amount from each bank. Is that right?

A) If your interest income is \$100 or less, you may simply enter the total amount on line 13 of Form 1040. When interest income is over \$100, the amounts should be listed separately on Schedule B. This should be attached to Form 1040 when you file.

Q) Are Social Security benefits taxable?

A) No. Social Security benefits are not taxable.

Q) Do you have to itemize your medical expenses to be able to deduct one-half of Blue Cross or other medical insurance premiums?

A) You don't have to itemize your medical expenses to claim this deduction but you have to choose the itemized method of claiming your deductions. In other words, you can't use either the standard or minimum standard deduction if you want to deduct medical insurance premiums.

One-half of your medical insurance premiums (but not more than \$150) should be shown on line 1 of Schedule A and added to your other listed deductions and the Schedule attached to the Form 1040 you file. Instructions for using this Schedule A are printed on the back of the form. Copies of the Schedule are provided for your convenience in the 1040 tax package.

Q) I rent out some land to a

Q) My wife and I are filing separate returns. Can I itemize while she takes standard deductions?

A) No. Married couples filing separate returns must handle their deductions the same way. If one itemizes deductions, the other must also itemize.

Married couples filing separately must also take the same type of standard deduction. If one takes the 10 per cent standard deduction, both must take it.

Q) I'm a full-time college student and think I will get a tax refund, if I don't have to count a \$750 scholarship as income. Is it income?

A) Scholarships are generally not taxable and do not have to be reported for tax purposes. Since there are many different types of scholarships, you will want to check with the organization that gave you the scholarship to see if they have information on its tax status.

Q) I got married in December. Can my wife and I file a joint return for 1969?

A) Yes, if you are married on the last day of your tax year, you can file a joint return. Your wife then cannot be claimed as a dependent on the return of another taxpayer.

Q) Does the new tax form make any difference in the way a farmer handles his credit for gas used on the farm?

A) No, the gas tax credit should be claimed as it has in the past by attaching Form 4136. The amount of credit claimed should be entered on line 21 of Form 1040.

Q) I rent out some land to a

THE ANTIOCH NEWS—3

farmer nearby. Do I include the rents I receive as farm or rental property?

A) Enter the rents you receive from your land on Schedule E, as rental income, and attach it to your form 1040 when you file.

Unless there is material participation in the business of farming the rents you receive are not considered farm income.

Q) Are there any tax benefits for those 65 and over? I'll be able to file that way this year.

A) Yes, there are several benefits for those 65 years of age and over. For example, there is an extra \$600 exception for age, and special provisions covering the sale of a personal residence.

These are explained in Publication 554, Tax Benefits for Older Americans. Send a post card to your district Director for a free copy.

Q) On tax returns sent in now, about how long does it take to get a refund?

A) It normally takes 5-6 weeks if the return is accurate and complete. When a large volume of returns are received at the same time, such as near the April 15 filing deadline, it may take longer.

Taxpayers expecting a refund should have their check within 10 weeks from the time they filed or a letter explaining why it is delayed. For this reason, a taxpayer should wait 10 weeks before contacting IRS about a refund which has not been received.

Q) All my income is from wages. Will I need any other forms besides the 1040.

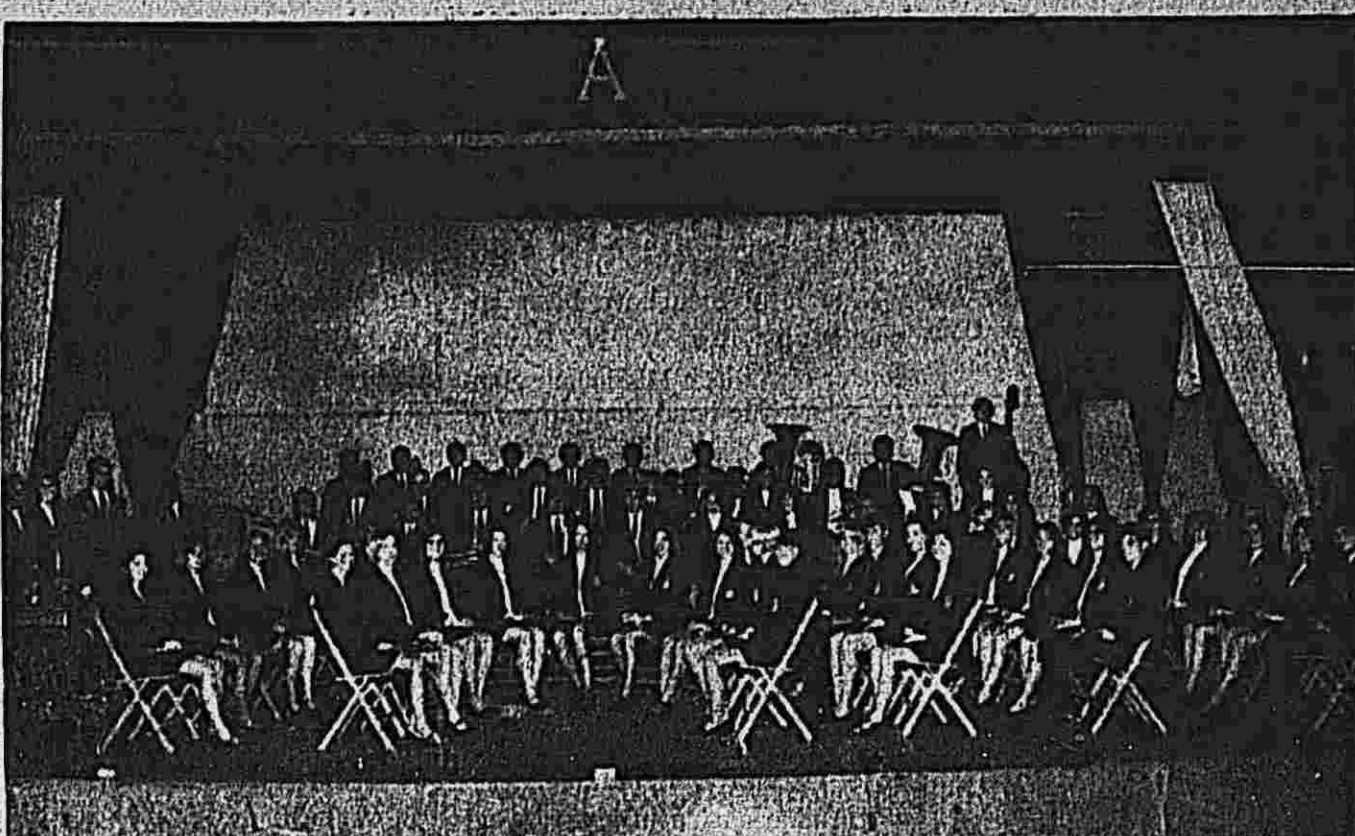

A) Nearly half of all taxpayers will just file the one-page form 1040. However, if you itemize deductions or have income from other sources such as property sales, rents, pensions, etc., you must attach the supporting schedules for these items.

The back of Form 1040 in your tax package indicates when a schedule will be necessary. An estimated 22 million taxpayers will need to add only one schedule to their Form 1040.

Q) Is insurance compensation for injuries received in an auto accident taxable?

A) No, compensation for injuries suffered in an accident are tax free.

Construction obligations for the VA in 1969 amounted to about \$100 million, including new hospitals at Lexington, Kentucky, San Diego, California, and Tampa, Florida, with a total bed capacity of 1,901.

The Antioch High School Concert Band will also perform Saturday in the school at 8 p.m. as the Fine Arts Department presents its annual Mid-Winter Concert.

What's a year's worth of electric heat cost?

Hint: Think small.

The fact is, electric heat costs have come down so much in the last ten years, that sometimes it surprises even us. Of course, we've done our best to help, by lowering electric rates dramatically during that period.

Actually, you pay about \$200 a year for electric heat in a typical six-room house with proper insulation—the kind most people buy.

It all boils down to the fact that you don't have to make a lot of money to have electric heat in your home.

So don't be surprised if someday we say "Think tiny."

Chairman Named For Crusade

Nine local men have been appointed by Rev. W. N. Daniel, Pastor of Antioch Missionary Baptist Church to head committees in connection with the up-coming Tom Skinner Crusade Of Greater Chicago to be conducted April 19-26. Speaker for the Crusade will be Evangelist Tom Skinner. The meetings will be held for eight days, beginning Sunday, April 19 at 3:00 p.m. at the Coliseum, 15th and South Wabash. Daniel is General Chairman of the Crusade Executive Committee.

The nine chairmen named, and their committee assignments are:

Rev. C. S. Hampton, chairman, prayer committee; Rev. Charles Webb, chairman, ushering committee; Rev. Richard Keller, chairman, publicity committee; Mr. A. R. Leak, chairman, finance committee; Rev. Hiram Crawford, chairman, program committee; Rev. Mel Banks and Rev. Robert Ranney, co-chairmen, counselors committee; Rev. William Bentley and Rev. Jack Daniels, co-chairmen, youth committee.

These men will name their own committees and will be spearheading work in the city and suburbs to promote interest and attendance in the Crusade, according to Rev. Daniel.

The Crusade Executive Committee has opened offices at 641 East 63rd Street with local secretarial help, assisting Crusade Co-ordinator Richard Parker and Associate Evangelist Rev. William Pannell. Both Parker and Pannell are from the New York Headquarters of the Tom Skinner Evangelistic Association and will be directing the actions of the various committee chairmen. Both men are able speakers in their own right and are available to speak in area churches as well as to civic clubs and other groups.

World Day Of Prayer On March 6

On Friday, March 6th, at 1:00 p.m., all area women are invited to attend the WORLD DAY OF PRAYER service to be held at St. Stephen Lutheran Church, The Church On The Hill, Rte. 59 and Hillside Avenue, Antioch. This Day of Prayer is an annual nationwide observance, spanning six continents. The same program will be used, prayers will be offered in seventy-five languages and a thousand dialects.

In Antioch, at St. Stephen Lutheran, Pastor Philip O. Laurin will act as Host, and taking part in the program will be Mrs. Donald Cobb of the Methodist Church, Antioch, Mrs. Royal Speidel, Methodist Church, Lindenhurst and Mrs. Philip Laurin of St. Stephen Lutheran, Antioch. Mrs. Donald Amundson and Mrs. Irving Walsh will be ushers for the Service. Musical portion of the Program will be handled by Mrs. Donald Gibson, Organist, and Mrs. LaVerne Woods, Soloist. Everyone is welcome to attend this special Service.

St. Peter's To Elect 2 To Board

Members of St. Peter's Parish will vote on Sunday, April 19, to fill two positions on the St. Peter's Board of Education.

Voting will take place after each Mass, including the 7:30 p.m. Mass on Saturday, April 18. All adult parishioners or parents of St. Peter's schoolchildren are eligible to vote.

A simple majority is needed to elect but in the event of a tie a runoff election will be held the following Sunday. New members will be seated in May.

To be eligible a parishioner must be 21 years old and have resided in the community for at least six months. No person employed by the school or volunteer aid involved in classroom activity may serve on the board.

A candidate must submit an application signed by at least 10 parishioners or parents of St. Peter's schoolchildren by Tuesday, March 24. Application-petition forms are available at the school office.

Where The Boys Are

Marine Private First Class James M. Costanzo, son of Mrs. Judith Bishop of Route 1, Salem, Wis., graduated from the Automotive Mechanics Course at Marine Corps Base, Camp Pendleton, California.

Doran

Airman First Class Terrance P. Doran, son of Mr. and Mrs. John L. Boehm of 3803 W. Kane Ave., Melfenry, Ill., has been named Outstanding Airman of the Month in his unit at Clark AB, Philippines.

Airman Doran, an aircraft mechanic, was selected for his exemplary conduct and duty performance. He is assigned to the 31st Aerospace Rescue and Recovery Squadron, a unit of the Aerospace Rescue and Recovery Service which performs combat and mercy air rescue and evacuation.

The airman is a 1968 graduate of Marian Central Catholic High School, Woodstock, Ill. His wife, Sharon, is the daughter of Mr. and Mrs. W. B. Ames of 508 Bayshore Road, Lake Villa, Ill.

(BS1301) CAMP PENDLETON, CALIF. (FHTNC) Feb. 17 — Marine First Lieutenant Steve T. Mikula, of Rte. 1, Antioch, Ill., was awarded the Navy Commendation Medal with Combat "V" during ceremonies at the Marine Corps Base in Camp Pendleton, Calif.

Tremonte

Cadet Michael F. Tremonte, son of Mr. and Mrs. Peter A. Tremonte, Rt. 1, Salem, Wis., has been named to the Superintendent's List at the U. S. Air Force Academy.

The cadet, a member of the class of '73, was selected for his outstanding achievement in both academics and military performance. He will be granted special privileges and wear a silver star and wreath designating the honor accorded him by the Academy superintendent.

He will be commissioned a second lieutenant and awarded a B.S. degree upon his graduation from the Academy.

Cadet Tremonte is a 1968 graduate of Central High School. He attended Carthage College, Kenosha, Wis., before entering the Academy.

Engagement Announced

Mr. and Mrs. Glenn B. Ward of 600 South Waiola Avenue, La Grange, announce the engagement of their daughter, Sheryl Brooks Ward, to Albert E. Dittman, son of Mr. and Mrs. Albert L. Dittman of Antioch.

Sheryl, who is a Verbal Arts Instructor in Zion, Illinois, attended the University of Illinois and Northern Michigan University. Her fiancé is employed by the Lake County Special Education Department and is a graduate of the University of Illinois. He has taken graduate work at the University of Wisconsin, and Northern Illinois University and is currently enrolled in the graduate program at George Peabody in Nashville, Tennessee.

A March 28 wedding is planned.

An Alaskan Adventure Is Planned

On Sept. 5 the CO-OP Travel Club will depart O'Hare International airport enroute to Alaska.

A stop-over at Vancouver will afford the travelers time for a beautiful city tour including such sights as the City's Centre, Stanley Park, Shakespearean and Rose Gardens, Nitobe Gardens and Totem Park, after which they will board the "D.E.S. Polar Star" on a never-to-be-forgotten cruise along the famed "Inside Passage" enroute to Seward.

The cruise will last five days allowing time for sightseeing and souvenir buying at three ports of call — Ketchikan, Juneau and Valdez, at which point they will see the Columbia Glacier.

Arriving in Seward on the 8th day, there is time for sightseeing before departure by deluxe motor coach on the scenic highway excursion enroute to Anchorage. Stops will be made at the famed ski resort Alyeska and at Portage Glacier. Twin bedded rooms with bath await at Anchorage.

The following day a lectured tour of Alaska's largest city includes Lake Hood and Spenard and a visit to a fur processing factory, among other points of interest.

After another night in Anchorage the travelers proceed to Fairbanks, the "Golden Heart" of Alaska where a tour will encompass the University of Alaska with its most complete museum, Famer's Loop Road plus many other attractive places.

Enjoying a full day at leisure in Fairbanks as our farewell to our 49th state, we fly back to O'Hare on the 17th, arriving at 11:15 p.m.

Cray's Travel Service, 1709 Grand Avenue, Waukegan has prepared a detailed itinerary, and you may have one by contacting Mr. Cray at MA 3-4722 or by calling Audra Ikan at MA 3-0713.

Firm reservations accompanied by a deposit of \$100.00 must be made no later than May 20, 1970.

Rainbow Girls Initiate New Member

Monday, Feb. 23, Antioch Assembly Order of Rainbow for Girls held a formal meeting.

Janet Polsgrove presided as Worthy Advisor and Mrs. Mary Brusk as Mother Advisor.

The main business of the meeting was the initiation of Kristy Gibson into the assembly. Two other candidates were balloted on and will be initiated at the next meeting.

On Sunday, Feb. 2 the Rainbow Girls helped the 885 Club at their ice fishing derby. The money made at this project is for a new temple. Antioch Assembly also helped out at Millburn's DeMolay Installation Saturday, Feb. 28, by putting on The Old Rugged Cross. Kathy Mallory, a junior past worthy advisor of Antioch, was an escort that evening.

For money-making projects Rainbow is selling fruit cake and candy. Please support the Assembly by buying these goodies.

MEMORIAL MASS FOR LT. GRAHAM

A Memorial Mass will be said at St. Peter's Catholic Church in Antioch, Ill. on Wednesday March 11th for 1st Lt. Anton J. Cermak Graham on his 50th birthday. Lt. Graham was killed August 29th 1944 in the battle of Brest, France during World War II. He was the son of Mr. & Mrs. Richey V. Graham of Park Ave., River Forest and Channel Lake, Ill. and grandson of the late Mayor Anton J. Cermak of Chicago.

Deborah Rzyzko Engagement Announced

Mr. and Mrs. Stephen Rzyzko, Jr., of Antioch announce the engagement of their daughter, Deborah, to Ronald C. Burrell, son of Mr. and Mrs. Charles Burrell of Antioch.

Deborah graduated from Antioch Community High School in 1967 and attended Northern Illinois University for two years. She is now a service representative at IBT in Waukegan. Ronald graduated from A.C.H.S. in 1966 and was in the Navy for 3½ years. He is now attending Lake County Junior College.

A May 16 wedding is planned.

'Roman Holiday' Fashion Show, Luncheon Set

There'll be no rumbling of chariot wheels, but that's all that will be missing when the "Roman Holiday" luncheon and fashion show at Carmel High School, Mundelein, Illinois, treats the Mother's Club members and guests to Latin delights in cuisine and costumes on Saturday, March 14th.

A benefit for the co-institutional school, which serves all Lake County communities, the festive affair will be keyed to decorations in Roman stripe red-and-white. This holiday-for-mothers was planned by a special committee, headed by Mrs. William Kremidas.

Luncheon, scheduled for 12:30 p.m. will be served in decorative surroundings in the school and will feature latter-day Roman epicurean notions, including Beef-Roma and Noodles Alfredo. In the spirit of the Romans, the

Announce Engagement

Mr. and Mrs. Carl Nadr of Antioch announce the engagement of their daughter Margo Leslie to Gregory G. Leden, son of Mr. and Mrs. Gerald Leden of Rockford.

Miss Nadr is employed as a legal secretary. Her fiancé is serving in the Navy and is stationed in Norfolk, Virginia. A May wedding is planned.

Ladies Hear Father Louis

The ladies of St. Peter's Altar and Rosary Society thoroughly enjoyed a very interesting and informative talk given by Father Louis of St. Benedict's Abbey, on March 2nd.

Father Louis is very active with a Pentecostal group which meets regularly at St. Benedict's Abbey at Benet Lake in Wisconsin. He spoke on the subject of the Holy Spirit, and in particular on the Catholic Church today.

During the question and answer period following, the ladies' interest was apparent as many questions were asked and the talk flowed easily.

Refreshments were served by Marie Esser, chairman, Margaret Beckmin, Anna Bukin, Dorothy Chase, Kathy O'Connor, Ruth Reband and Helen Zeien.

If you own a home, eat food, wear clothes, drive an automobile, or are elderly and live on a fixed income from a pension or savings, you have a very direct interest in the cost of government. Federal spending, in the memory of pre-World War I citizens, has risen from \$1 billion a year to some \$200 billion a year.

Latins' favorite libation, wine, will also be served.

Highlights of the afternoon will be a contemporary program, a fashion show under the professional direction of Margo Grayson, who is "Wendy Ward" at the Belvidere Mall. Miss Grayson will comment on the creations worn by Senior class girls and "model" mothers. Lucky raffle ticket holders will carry home treasures which would dazzle a Roman citizen of yore, especially the portable color television set donated by Montgomery Ward, The Belvidere Mall, Waukegan.

Reservations, tickets and raffle tickets are available through Mothers' Club members. Luncheon tickets are \$4.50.

CHRISTIAN SCIENCE CHURCHES

"And God said, Let us make man in our own image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth." This passage from Genesis is part of a Lesson-Sermon on "Man" to be read in Christian Science Churches this Sunday.

Services will be held at First Church of Christ, Scientist, BEACON HILL, Rte. 173 & Harden, Antioch, Ill., at 11 a.m. Everyone is welcome.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy comes the affirmation, "Man, made in His likeness, possesses and reflects God's dominion over all the earth." (p. 516).

NEW TV DIET

Learn the secret of TV's little will-power, no pill, no exercise reducing formulas. This marvelous diet is literally taking the country by storm as the pounds simply slip off while you eat your fill of the delicious foods on the list. It is the one diet that really works for most overweight people.

A well known TV personality, who appears weekly, had tried numerous diets with no success. He lost 60 pounds in a little over 60 days on this fantastic new diet. A noted novelist lost 9 pounds in 5 days. She says: "I don't have the time to go to health farms and relax that way to take off weight. That's why this particularly fast-acting diet is the right one for me."

There is no question that most overweight people need the shock treatment of having their eating clearly defined by a specific diet plan which takes off pounds speedily and dramatically. If you are one of the normal 95%, this diet will definitely take off that excess poundage in a hurry no matter how many times you might have failed in the past. It can work wonders for you for the rest of your healthier and more beautiful life.

This is not a citrus fruit diet. If you want to lose weight fast, but on a scientifically sound basis, act now as you may never have this some opportunity again. St. Peter School In Action

St. Peter School officials and faculty hosted over 200 parents and visitors at their Open House on Sunday, March 1st.

Members of the Mothers Club offered coffee and guided tours. Classes in academic subjects were taught throughout the afternoon in each of 13 classrooms.

The third- and fourth-grade team teaching program had a dental lecture presentation given by Dr. Warner and his assistant, Mrs. Wilton.

The first grade Rhythm Band, directed by Mrs. Young, gave a 45 minute performance in the gym.

Each classroom prepared a table display in the gym relating to various phases of the curriculum.

Visitors and parents appeared genuinely impressed with the over-all program.

For the teachers and students, it was "business as usual." For the visitors and parents, it was an opportunity to view "St. Peter School in action."

There will be no admission charge and the public is invited to attend.

and Mildred Simoni. Estella Boch is also a 50 year member but was unable to be present. Twenty-five year pins will be sent to Marguerite Klein and Roberta Knirsch.

An official welcome was given to Mildred Cook who affiliated with the Chapter from Three Oaks, Michigan Chapter.

Plans for the upcoming spaghetti dinner to be held on Saturday, March 21st were discussed and tickets were distributed to the officers.

Marie Furman directed the arrangements of the social hour which followed the meeting.

The next meeting will be March 12th and will be Friends Night.

Woman's Club Approves Display Case

Fifty-five members of the Antioch Woman's Club, member of the 10th District of Illinois Federation of Women's Clubs met at the Scout House for their annual Pot Luck Luncheon and card party. In a short meeting before lunch a motion was made and seconded that the Club go ahead with plans previously discussed at the Board Meeting to purchase the Historical Case to be installed in the new library. This case will be 28 feet long and with cost about \$1300. It is hoped that many relics of this area will be brought for display in it. So dig around in your attics or store rooms—you may find a good one to bring in.

Ten members of Antioch Club will attend the Diamond Jubilee of the Illinois Federation of Women's Clubs 10th District Annual Ways and Means Party on Thursday, March 12, at the Arlington Park Towers in Arlington Heights.

Mrs. Donald Purdy has charge of ticket sales. Mrs. Ted Costoff, Ways and Means chairman spoke of the coming Antique Show at the Antioch Community High School in April, anticipating some 50 antique dealers to take show space in addition to our local collectors.

Tickets may be obtained in advance for 50c at the Thrift Shop on the corner of Main and Lake Sts., or at 75c at the high school on show days, April 25 and 26. Proceeds of this show will be used for the many scholarships awarded by Antioch Woman's Club to our High School Students.

Mrs. Daniel Maras announced that memberships in the Antioch Auxiliary of the Lake County Mental Health Association were being accepted now and that help and articles for the Thrift Shop were very much needed to keep up the good work of our Auxiliary.

Social Chairman Mrs. Elroy Anderson gave the names of the Hostess, Mrs. Daniel Maras and her committee: Mesdames Geo. Hall, Max Jester, W. C. Petty, Henry Ruck, Robert Wilton, Jr., Ted Costoff, Clarence Geisler, Homer Fowles, Thomas E. Smith, Charles Solar and Irving Elms. Winners at cards were awarded pots of the lovely Artillery plant.

For helping to make this party a success, Antioch Woman's Club extends its thanks to the Antioch State Bank, First National Bank, Ray's Shell Service Station, and Lasco Greenhouses and Florist Shop.

The next meeting will be a business meeting of the Board at 12:15 on March 16th with the regular meeting starting at 1:00 p.m.

HI, HO, SILVER
The Lone Ranger and Tonto rode into a trap and found themselves surrounded by a thousand Indians on the warpath. The Indians began to charge.

"Tonto," shouted the Masked Man, "we're in bad trouble."
Tonto turned to him and snarled "What you mean, 'we' paleface?"

'Hamlet' Opens At Harvard

Area audiences are anticipating the weekend opening of the Harvard Players' production of "Hamlet." March 7 is opening night at the Harvard High School gym. Curtain is at 8:00. The play is again being given on March 14 with two Sunday matinees at 2:00 on March 8 and 15.

The cast comes from a number of area towns. Starring as Hamlet is Loren Ingram, an English teacher at Harvard High School who has the dual role of star and director. Supporting him as King and Queen are Don Maack of Delavan and Betty Wise of Harvard. In the role of Horatio is Lee Porter. Marian Carroll of Delavan plays Ophelia while Joe Ross plays Polonius and Terry Ingram is Laertes.

Also in the cast are John Kenney, Fontana, Mark Buss, Richard Ferris, John Fraase, Frank Butts, Eugene Bauman, Jerry Wegner, Bruce Weeks, Suzanne Demus, Bob Barringer, Robyn Dennis, Nick Eddy and Lois Reese, all of Harvard. A military force from the Northwest Military Academy, Lake Geneva, will also help with effects.

Although the production is new with fresh, modern interpretation of roles and modern dress, the play is Shakespeare's with no tampering of great lines. Study groups, English classes, and devotees of good theatre are urged to attend a performance.

WILL HISTORY REPEAT?

One of the most widely read books of all time is "The Decline and Fall of the Roman Empire."

Written in 1788 by Edward Gibbon it sets forth five basic reasons why that great civilization withered and died. These were:

- The undermining of the dignity of the home, which is the basis for human society.

- Higher and higher taxes; the spending of public money for free bread and circuses for the populace.

- The mad craze for pleasure; sports becoming every year more exciting, more brutal, more immoral.

- The building of great armaments when the real enemy was within—the decay of individual responsibility.

- The decay of religion; faith fading into mere form, losing power to guide the people.

The oft-heard warning that "history repeats itself" has an ominous meaning in the light of the above.

Nike Site Conversion Is Studied

A feasibility survey developed by a private consulting service on the conversion of the Nike site in Cuba Township to a facility for socially maladjusted young adults has been turned over to the chairman of the Lake County Board of Supervisors and the judiciary committee.

The survey is not a recommendation, it merely states conclusions of the consultants as to whether the building on the site could be converted and at what approximate cost. It would remain for the County Board to decide.

In the introduction consultants Chelap, Streit, and Associates state, "The precluding factor does not need harsh penal correction, but rather rehabilitation and stability in his environment."

Evaluating the possibilities they conclude, "The physical structures on the Nike site which are in fair to good condition can be utilized for a training school for boys . . . that 108 youths could be cared for . . . at a restoration cost of about \$57,000 . . . equipment cost \$114,000 . . . and an annual operating budget of \$600,000."

Under the Omnibus Crime Control and Safe Streets Act the Lake County Law Enforcement Assistance Planning Committee could apply for up to 50 per cent of construction costs and 60 per cent of certain other portions of costs involved in establishment of such a facility.

It is not certain at this time whether the matter will be brought before the full Board of Supervisors at its March 10th meeting.

The Veterans Administration's loan guaranty service guaranteed nearly one-quarter million home loans for veterans in 1969.

Holmes

Holmes To Speak In Highland Park

Normal B. Holmes, a Christian Science lecturer, will speak on "Our Search for Identity" at 8 p.m. Tuesday, March 10th, in the Highland Park High School Auditorium, 433 Vine Avenue.

Holmes is a Northwestern University graduate and served almost 13 years active duty as a chaplain in the Navy during World War II and the Korean War.

He is former Manager of the Department of Branches and Practitioners of The First Church of Christ, Scientist, in Boston, and is a member of the Church's Board of Lecturers.

The lecture is being sponsored by First Church of Christ, Scientist, Highland Park, in cooperation with Christian Science churches of Antioch, Lake Forest, and Waukegan.

"There'll be no charge, lady," said the irate taxi driver to his fare. "You did all the driving."

Legion Auxiliary

By DEL JAHNEKE

The Antioch American Legion Auxiliary No. 748 will hold their regular meeting on March 9th, at 8:00 p.m., at the Antioch American Legion Home. Mrs. Ray Rathmann, President, will conduct the meeting.

The hostesses are Mrs. Frank Kennedy, Chairman, Mrs. Joseph Horton and Mrs. Evan Kaye.

On March 10th, the Antioch Unit will host a party for hospitalized veterans at Downey Hospital, starting at 1:30 p.m. The Department Hospital Director, Mrs. Robert Broege, Deerfield, states that prizes, gifts and creature comforts are needed. Mrs. Rathmann, Rehabilitation Chairman, asks that any members wishing to attend this hospital party, to please contact her.

Mrs. William Dowden, Child Welfare Chairman, represented the Antioch Unit at the 10th District American Legion Home, on February 22nd. Plans were discussed regarding the annual picnic for approximately 150 children from three Lake County Children's Homes, to be held at the Lake Region's Legion Home on May 24th.

The Veteran's Craft Chairman, Mrs. Edna Rathmann, reported that nearly \$45.00 of veteran made articles have been sold. Veteran's craft are items made by handicapped veterans, and can always be obtained from the nation's only Veteran's Craft Exchange in Chicago.

Mrs. Edward Jahneke, 2nd Division and 10th District Communications Chairman, announces that the Illinois American Legion Auxiliary will be participating in the 1970 "GOLDEN MIKE" Awards. There will be two categories, as follows: A Golden Mike award to the agency of sponsors of the best radio series of four or more programs in The Interest Of Youth; and a Golden Mike award to the agency or sponsors of the

best series of television of four or more programs in The Interest Of Youth. These awards are for local stations only. Also a Golden Mike plaque is given to the stations airing the winning series in each contest, and a Golden Mike certificate is given the winning entries in each Department.

All local radio and television stations are invited to submit entries to the unit communications chairman in their vicinity. To be eligible, stations must represent the production efforts of a local station; four or more programs as a series; broadcasts aired on radio or television at some time during the period May 1, 1969 to May 1, 1970; and productions given in The Interest Of Youth. Winners are to be sent to Miss Rose Leparco, Chicago, Department Communications Chairman, by May 15, 1970.

Automobile Buying Tips Are Offered

If you are a prospective buyer of a new automobile, the Chicago Motor Club-AAA advises that you may be able to save yourself considerable disappointment, time and money by making a thoughtful evaluation before you assume a major obligation.

For the benefit of new car buyers, the club offers these tips: When planning your purchase of a new car, consider what make and model will fit your needs in size, height, power, design—and total cost.

Does the car have the proper design features for riding comfort, convenience—and the safety features required by law? Does the dealer have full service facilities readily available? Will the car have good resale value? Is the dealer trying to sell you a really new car or one that has been on the lot for several months? Or a 1969 model?

Be sure to test the car on the open road and in traffic by driving it yourself. Test its responsiveness, roadability and ease in handling. Is it too long to fit in your garage? Will it be too small for your family? Will it be satisfactory for business needs?

Here are other factors recommended by the Chicago Motor Club-AAA for new car buyers to consider:

Check at least three dealers for the best price on a particular make of car. Or check at least three dealers who compete with different makes of cars in the price range you have chosen.

Get prices that show the net-repeat net—cost of a particular car—after trade-in allowance and before finance charges and taxes.

Make sure this is the delivered price, and that it includes all accessories you plan to buy. Make certain also that the price includes all federal, state and local taxes.

Keep a record of the prices each dealer gives you. Make a detailed listing of all items so that later you have sufficient information for comparison.

Sign nothing—until you have reached a complete agreement and understanding with the dealer, have thoroughly checked your financing arrangements and made certain there are no hidden charges. Don't be pressured or hurried. Ask questions until you get clear answers.

Be sure to remember your financing while you're shopping. Give this as much thought as you give to the actual selection of the car, the motor club advises.

VA Wives, Widows Get Assistance

The Veterans Administration reported today that some 6,100 wives, and widows of veterans and servicemen are taking advantage of educational assistance.

Administrator of Veterans Affairs Donald E. Johnson said certain wives and widows became eligible for benefits under the law when it became effective Dec. 1, 1968.

The law makes educational assistance available to wives or widows of veterans with service-connected total and permanent disabilities, and widows of veterans or servicemen who die of service-connected causes.

Also eligible the wives or widows of veterans who die of nonservice-connected causes while totally and permanently disabled. In addition, the law covers children of such veterans and servicemen.

Johnson also reported that one trainee in six was under 25 years of age when she entered training.

The VA chief added that more than half of the wives and widows, about 54 per cent, pursued their education in college, while about one in 12, just over 8 per cent, studied in graduate schools.

Almost half of the college trainees, 48 per cent, were enrolled on a part-time basis, while just over 85 per cent of those studying below college level did so on a full-time basis, Johnson said.

He urged persons interested in applying for such benefits to contact their nearest regional office.

Food Stamp Program Aids Many

Over 181,000 persons in all 102 Illinois counties received food assistance through the U.S. Department of Agriculture's Food Stamp Program during December, according to Dennis M. Doyle, Midwest regional director of Food and Nutrition Service.

The total included 164,163 on public aid and 16,907 other low-income persons.

During December, Illinois participants received nearly \$3.7 million worth of food coupons of which around \$975,000 were bonus coupons. This was a bonus average of \$5.38 per person.

In 587 Midwest projects, around 835,000 persons were in the program during December. Total value of coupons was over \$16 million of which 31 per cent was in bonus coupons. The regional bonus average was \$6.09 per person.

By participating in the Food Stamp Program, low-income families can buy more food by exchanging the amount of money they normally spend on food for coupons worth more than they paid.

Recipients spend coupons just like cash, at authorized retail food stores, for any domestic food. They cannot purchase items like household cleansers, tobacco or liquor with the coupons.

Doyle urges families not getting enough food to look into the program by contacting the local welfare office.

Deductions Allowed On Some Losses

Damage to a car, home, or other non-business property may qualify as a deduction on Federal income tax returns, E. P. Trainor, District Director of Internal Revenue for Northern Illinois, said.

Tax deductions may usually be taken when the damage to non-business property occurs from a natural disaster such as a fire, flood, storm or hurricane. Losses from theft may also be deducted. However, losses resulting from such causes as rust, erosion, termites, moths or disease are not deductible.

Trainor said that on real property held for personal use, the amount of the loss is either the adjusted basis of the property or the decrease of its fair market value—whichever is lower, is the amount of the loss. If the loss is covered by insurance, this compensation should be subtracted

from the amount which may be deducted.

Only the amount of the net loss of property used for personal purposes, in excess of \$100 per casualty or theft, is deductible. Married taxpayers filing joint returns need to exclude only \$100 for each casualty loss. If they file separate returns, each is subject to the \$100 exclusions.

Damage to a car may also qualify as a casualty loss if the accident was not due to the taxpayer's negligence or willful act. Trainor said that no deduction may be taken for amounts paid for damage to another car with which the taxpayer collided.

On theft losses, the deduction may be taken in the year it is discovered. No deduction is permitted for lost or mislaid property.

Housing Survey...

(Continued from page one)
secretary of the Lake County Housing Authority, appeared before the board to clarify a study that was authorized two weeks ago for low rent housing.

She said the preliminary survey calls for a study to be made to determine the need of housing primarily for the elderly, of persons over 62 and for those who are disabled or handicapped.

The executive secretary said the units would be rented out to elderly persons on a first come basis. "If the people don't have residency, I bypass them," Mrs. Smith said.

Mrs. Smith said that should the development be approved that Antioch can request from the housing authority an agreement that would extend application eligibility to Antioch Township residents and those living in Lake Villa and Newport townships.

A question was raised by Trustee Vern Barnstable as to when the low rent housing for the elderly would be built.

"I would hate to make an estimate," Mrs. Smith said. "There is a backlog of applications for low cost housing and low rent housing for the elderly. I understand there is a dry well for funds in the current fiscal year which ends June 30."

She said the selection of the site would rest with the Lake County Housing Authority and the Department of Urban Development. She said the unit must be constructed within proximity of the downtown area that makes barber shop, beauty shops, theatres, and other shopping places available to the elderly.

Applications for space in the proposed housing unit are available in the office of Village Clerk Marilyn Stenberg.

"The more applications you have on file the better the chance of getting the development through federal government channels, it was said.

The trustees agreed to send Fire Chief Todd Mapthorpe, Trustee Barnstable, and Walt Delaney, building commissioner, to the fire protection school on high rises to be held March 14 on the Illinois Institute of Technology campus in Chicago.

The St. Jude's Children Research Hospital was authorized to make its fund drive in the village May 17.

The treasurer was allowed to sell a \$15,000 treasury bill and purchase a similar one in the same amount by the trustees.

Trustees approved the proposal of Irv Walsh to convert a cement block house at the Village Yards for use as a dog pound. The amount of money to be spent is not to exceed \$400.

The village received \$337 in fines levied in the Magistrate Court and \$122.75 in fines parking meter violations, according to Richard O. Burnette, chairman of the police committee.

In February, Burnette said 48 traffic tickets were issued; seven non-traffic citations; 13 accidents were investigated; seven thefts and burglaries and four juvenile cases.

There were 113 violations for parking, Burnette noted. Trustee George Bartlett said his committee has found that it is not necessary to license tradesmen working in the village as it is done in Arlington Heights and other northern Illinois communities.

Claims against the estate may be filed in the Probate office of the Clerk of said Court, 26 N. Ulta Street, Waukegan, Illinois 60085, on or before April 6, 1970. Any claims not so filed by that date is barred as to the assets listed in such Inventory. Copies of claims must be mailed or delivered to the Executor—and to the attorney.

Meeting Set Sunday For Race Buffs

The owners, drivers and officials of Lake County Racing, Inc., which runs the Waukegan Speedway, will meet Sunday, March 5 at 2 p.m. in the Lake Villa VFW Hall to discuss the upcoming stock car racing season.

On the agenda for the meeting will be discussion of the new rules and specifications covering the 1970 season at the Waukegan Speedway as well as registration and number of assignment.

Promoter Gordon Sill will also be announcing at this meeting a new idea the Speedway will follow in this season to better reward those drivers who support most of the weekend super stock car races. Although the speedway has had no problems with car shortages . . . Waukegan Speedway averaged well over 30 late

Series of Stock Car Racing" held for four nights at the New Smyrna Beach Speedway near Daytona, model super stocks per night in "The Waukegan Speedway" will 1969 . . . this new plan will encourage even longer entry lists.

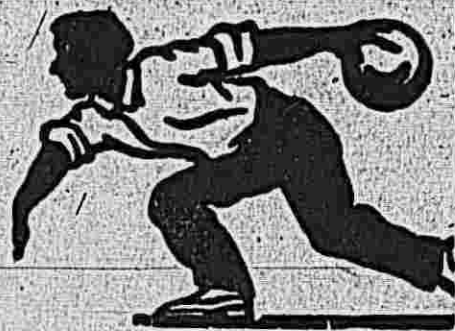

The Waukegan Speedway will be presenting its first weekend of late model super stock and hobby stock excitement on Saturday and Sunday night April 11 and 12. A star studded field is expected on those nights as the Waukegan asphalt will again be the first area track to open.

Among those already prepared for the first weekend of Waukegan action are defending champion Ray Young of Bolton and rapid Ray Freeman of Crete. Both of these familiar Waukegan drivers recently competed in the "World

Florida.

The Waukegan Speedway fans will see increased speeds this year from the late model super stocks. The big reason for more speed will be the much larger tire limits set for this season. Although no tire size is specified, the rim width of 12 inches will allow tires of the "steam-roller" design.

The Waukegan Speedway will race every Saturday and Sunday night from the April opener to well into September. These Saturday and Sunday programs will feature the late model super stocks. Special events involving midget and modified cars are also being scheduled this year. Hobby stock cars will supplement all of the racing programs.

8th-Graders Will Oppose Faculty

On Saturday evening, March 7, at 7 p.m. Oakland-Antioch Grade Schools will hold their Annual Faculty-8th Grade game.

This will be the Sixth Annual Game and the Oakland 8th Graders will play the Antioch 8th graders to open the night's show at 7 o'clock. Immediately following, the 8th grade teams from Oakland and Antioch will play the men faculty.

At half time of the faculty game, the baton twirling group "Gym Jeans" will perform. This group was world champion in 1969.

Below is a list of the faculty men who will be playing: Stan "Sky King" Anderson, Pat "Fearless Leader" Fitzgerald, Bob "Dunk'em" Duckless, Dave "Mad Dog" Booth, Lorin "Middle Part" Volk, Chuck "Marble Top" Banks, Rick "Goldie Locks" Herdicksa, Walter "Tiny Tim" Soderman.

Louie "The Greek" Kontos, Bob "Roller Coaster" Eisen, Bill "Mickey Mouse" Anderson, Harley "The Spider" Ware, Gene "Caesar" Shea, Steve "Ticker Tape" Lindberg, Sigurd "Socrates" Nielsen.

Proceeds are used for athletic equipment for the grade schools.

Cubs Sponsoring Special Navy Unit

The Chicago Cubs baseball team will sponsor a special Chicago Cubs Navy Recruit Company with enlistment ceremonies to be held at 1:00 p.m. on May 9, 1970 at the Cubs park.

There will be eighty young men forming this ceremony from the Chicago District and they will go through Recruit Training at the Great Lakes Naval Training Center.

The Waukegan Navy Recruiting Branch Station is looking for two highly qualified and motivated applicants for this special company. These two men will be enlisted in the "CACHE" program for active duty on May 8, 1970. The eighty men will be sent to Great Lakes Naval Training Center following the Cubs game on May 9, 1970. Each recruit will be provided with tickets for himself, parents or other guests he desires to invite to the ceremony.

For more information, contact Ron Darge or Jim Shackett at 106 South Genesee Street, Waukegan or phone 336-8440.

Each summer, credit classes to outdoor education and conservation are offered by Southern Illinois University.

Waukesha Stretches Win Streak

Waukesha kept their home win streak going by dropping Grand Rapids 145-128. Joe Franklin and Max Walker scored 34 and 31 points respectively. Franklin and teammate, Waymon Stewart, combined for 19 rebounds apiece. Don Edwards netted 35 for the Tackers.

Decatur slipped by Waukegan 135-129. Hubie Marshall returned to the Bullet lineup to lead Decatur with 23. Jesse Price added 20 and 14 rebounds to the effort. Mike Dyer's 36 and Tim Robinson's 32 were high counts for the Wizzards.

Rockford tipped Peoria 107-103. Five Royals hit in double figures, with Craig Spitzer leading the way with 26. Tom Gordon and

Emmons Loses Two Games To Millburn

On Thursday, February 26, the Emmons-Grade School Raiders lost two basketball games to the Millburn Grade School Mustangs; losing the fifth and sixth grade game, 35-23 and the seventh and eighth grade game 52-23.

In the fifth and sixth grade game, Jackson was high point man for Millburn and Jon Bodin for Emmons.

Darrell Channell scored the most points for Millburn's seventh and eighth grade team, and Boddy Dodd for Emmons.

Sequoias Place Second In District Tournament

Antioch-Sequoias were successful in two out of three games in the District Tournament. They beat Round Lake 55 to 50 in a thrilling second half rally. The second game of the tournament they won with a 59-57 win over Grayslake with a fine team effort, four of the boys scoring in double figures. Tom Wilkinson high

for Grayslake with 31 points. The Championship game was won by Grant 52 to 49. The team encountered difficulty making free throws and made only 5 out of 18, which contributed to their loss.

Mr. Andrews commented that the team probably was not playing to their fullest ability during the tournament, but that indications for next year looked promising.

Steve Bentel played real fine basketball during the tournament and indicated to Coach Andrews what to expect from him for next year. "Overall action during the season exceeds our expectations," said Coach Andrews.
